**IMPORTANT INFORMATION FOR EUROPEAN NATIONS  
TO TAKE EFFECT IN 2017 EUROPEAN EVENTS**

Please can you advise all your Skaters/Trainers that the following dances will be skated in CERS Artistic Technical Committee events in 2017.

There is a new simple dance in each category, and all information on these will be given out to every European Nation during the European Championships in Freiburg at the end of August. The Easy Paso already has been given out, but the other 3 simple dances with steps, diagram, video will be prepared within the next month and given to everyone at the end of August.

Please note these dances are for both Solo and Couples

I thank the Dance Commission for their work in preparing these for Europe.

We have been asking for many years for new dances, particularly for the young skaters and have invited anyone to put forward their suggestions, and now we have 4 new ones, and have decided to put them in for 2017 as they are not complicated and it makes it more interesting for our young skaters.

As soon as we have the complete package Marco Faggioli will be preparing the DVDs for us all.

This list of dances will appear on the CERS web site under Artistic within the next 5 days

Kind regards
